FOREWORD

We, the annual staff of James Bowie High School, wish to express our sincere hope that your 1967 annual will serve as a treasure chest of pleasant memories for many years to come.

We hope you will enjoy this annual as much or even more than we enjoyed preparing it for you.

May the enclosed pictures serve as a reminder of your high school days. Through the medium of this yearbook may our associations be long remembered as being happy and profitable.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

NOTES ON CONTRIBUTORS

Early Americans had to live together in harmony, as they would not survive. This was called "government in order to live," the beginning of our government today.

of which are to be found today county, borough, city, sheriff, coroner, and justice of the peace, for example. And all of these were well-known in England long before the first Englishmen sailed across America.

They brought with them, too, the tradition of limited government and civil liberties. That is, that government not all powerful, that government limited in what it may do, and, possibly, that it is limited in its

that each man has certain rights that government cannot injure or take away. These great principles of freedom were proclaimed in such historic English documents as the Magna Carta in 1215, the Petition of Right in 1628, and the Bill of Rights and the Act of Toleration of 1689.

(4) *The Concept of Representative Government.* A third vitally important concept brought to America in English ships was that of representative government. For centuries there had been developing in England the
